Action Filed: September 19, 2019

The Court, having considered the papers filed herewith, and good cause appearing, orders as follows:

1. The claims against all Defendants are dismissed with prejudice. Plaintiff has failed to state a cause of action with respect to each of the Defendants.
2. [In the alternative] the claims against Defendants Skillman, Harvey, O'Bid, and Parker are

1 dismissed without leave to amend. The allegations against these Defendants fail to state a  
2 cause of action under applicable law.

3 3. [In the alternative] the allegations found in paragraphs 18-58 and 70 are stricken without  
4 leave to amend. These allegations predate the filing of the Complaint by a sufficient period  
5 that claims based upon these events are barred by the applicable statute of limitations, and  
6 therefore, these allegations are immaterial and impertinent to the claims in this action.

7 4. [In the alternative] the claims of the first cause of action are dismissed with prejudice and/or  
8 stricken without leave to amend. The allegations of this cause of action fail to state a cause of  
9 action under applicable law, and therefore the claimed matters are immaterial and  
10 impertinent.

11 5. [In the alternative] the claims of the second cause of action are dismissed with prejudice  
12 and/or stricken without leave to amend. The allegations of this cause of action fail to state a  
13 cause of action under applicable law, and therefore the claimed matters are immaterial and  
14 impertinent.

15 6. [In the alternative] the claims of the third cause of action are dismissed with prejudice and/or  
16 stricken without leave to amend. The allegations of this cause of action fail to state a cause of  
17 action under applicable law, and therefore the claimed matters are immaterial and  
18 impertinent.

19 7. [In the alternative] the claims against the individual Defendants are dismissed without leave  
20 to amend because the Defendants are entitled to qualified immunity.

21 8. [In the alternative] the request for punitive damages is dismissed with prejudice.
